“...I am the Giver of Life and with My baptismal kiss I blow on you, I renew you...”

TLIG Message - June 7, 1998

The registration fee includes a day trip to the Greek Orthodox Shrine of Saint Michael the Archangel and Commander of Hosts (Taxiarchis, in Greek) in Tarpon Springs, FL. This shrine was built in 1941 as the result of a promise made by a mother whose son was miraculously cured by the intercession of St. Michael from an inoperable brain tumor. Icons at the shrine have been known to exude fragrant tears of oil from time to time and many people have been cured of various ailments.

In addition to spirit-filled talks, meditation and group interactions, we will offer: Daily Mass, Confession, Healing Service, Adoration and Benediction, Testimonies, Fellowship and Trip to St. Michael's Shrine. TLIG Books, Prayer Cards, DVDs and CDs will be available..
