

Ah, how Mercy and Love incessantly cover me

22 June 1991, Vassula prays:

Ah, how Mercy and Love incessantly
cover me and bless me!

Wisdom is my personal Teacher
and She is instructing me and others;

Your Holy Presence
ever so constant by my side
reassures me and gives me
hope and courage.

Ah, Yahweh my Father,
I long for You, how I long for You!
Yahweh, my Abba,
You have seduced me to the marrow.
