

Grant O Heavenly Mother the Grace of God

25 April 1999, Vassula prays:

Grant O Heavenly Mother
the Grace of God on us all, so unworthy,
to be able to ask God sincerely
pardon for our sins and the sins of others;
Grant us the inestimable treasure
of God's intimate friendship,
and the noblest treasure of the divinity
which is the closeness to God:
God offering His Heart to all of us;
Amen.
