

Holy One, my soul yearns for Your Sacred Heart

19 July 1989, Vassula prays:

Holy One,
my soul yearns for Your Sacred Heart,
happy are all those who live in Your Sacred Heart
and can adore You all day long;
happy those who receive graces from You;
call back to life again all those who still lie dead,
so that they may rejoice in You,
show them Your Love,
show them Your Sacred Heart
so that they may sing a New Hymn of Love to You.
