

I renew my vow of fidelity to You

8 November 1989, Vassula prays:

I renew my vow of fidelity to You, my Saviour and Lord.

Help me keep it. Help me be faithful to You.

Lord, You have done great things to me.

You have lifted my soul to You

and You allow me to live under Your Light.

You have covered my nakedness with Your Majestic Gifts.

You have renewed me.

You have risen me as You have risen Lazarus.

You freed me and I love You and adore You.
