

Jesus, let Your Holy Face smile on us

20 January 1992, Vassula prays:

Jesus, let Your Holy Face smile on us,

and we shall revive.

Our division devoured us like fire;

since You alone perform marvels,

bring us together,

and let men renounce their folly;

Your Plan is to unite us

by unifying the date of Easter,

thus bringing us reconciliation,

I am calling for Your Divine Help.
