

## **Let us join the procession of Your Angels**

3 November 1989, Vassula prays:

Let us join the procession of Your Angels  
who are around You my God,  
for You are Unique in the Holy Trinity,  
and as they praise You without ceasing  
and sing to You hymns,  
let us too proclaim all Your wonders  
around One Single Tabernacle.

I love Your House, my Lord,  
make haste to unite us all in Your House,  
let Your Angels and Your Saints be the example for us,  
let us learn from Them how to adore You  
around a Unique Tabernacle.
