

Lord, I will not let my eyes off You

18 February 1992, Vassula prays:

Lord, I will not let my eyes off You,
lest I fall again in apostasy.
Allow me to worship You at Your Footstool.
O Lord, display now Your Power on us all.
Bring upon us all Your Tempest
that will whirl away our sins.
Let Your Fire (the Holy Spirit)
come upon us to enliven us and purify us.
It is hard to cross this treacherous desert in the dark.
Maranatha! Come!
