

Lord, my God, save us in Your Love

30 April 1990, Vassula prays:

Lord, my God,
save us in Your Love, raise us in Your Light
and with Your Infinite Mercy forgive us;
make us strong in faith,
unite us to be one,
so that we may say together,
around one Holy Tabernacle:
"There is one Lord, one faith, one baptism,
and one God who is Father of all,
over all, through all and within all."¹
