

## **My God I no longer can my eyes from Your Divine Face**

26 March 1988, Vassula prays:

My God

I no longer can detach my eyes  
from Your Divine Face  
my eyes are fixed upon you  
in endless hours of adoration  
and my mind cannot detach itself  
from You Beloved Father,  
every second upon earth and heaven  
my mind is absorbed in You, with You.  
I live for You and breathe for You,  
my joy is You and my smile.  
I believe, I adore, I hope  
and I love You endlessly.
