

My Lord, You who are Wisdom

17 November 1996, Vassula prays:

My Lord,
You who are Wisdom,
You who are Life and Light within us,
I praise Your Name Thrice Holy;
Let all Goodness seduce my soul
so that I may live in Your reflection;
Omnipresence!
Joy and Peace of my heart,
Your Presence leaves me tranquil
and Your Uprightness sparks a flame within me,
to show me that I am the offspring of the Goodness of my soul;
Glory be to our Lord Thrice Holy,
Alleluia!
