

## **My Yahweh is good to me**

23 August 1989, Vassula prays:

My Yahweh is good to me,  
His Love is everlasting,  
His Faithfulness endures from age to age,  
He has pulled me out of the pit and has healed me,  
He has settled my feet on a rock and steadied my steps;  
how many wonders You have done to us, My Lord!
