

Praised be the Lord for having looked upon

27 January 1989, the Lord gives the prayer:

Praised be the Lord
for having looked upon Wretchedness
and having lifted me.

Praised be the Lord
for rising me from the dead.

Glory be to God
for descending and bending all the way to us
to redeem us from evil.

Blessed be the Lord
for the compassion He has upon His children.

Amen.
