

Save us all, Jesus!

6 August 1991, Vassula prays:

Save us all, Jesus!

Wait, my Lord, for all Your children to convert
before Your Day comes!

Your Throne is soon to descend among us,
but are we all ready?

Allow Your River whose streams refresh arid cities to flow in us

Lord, drench us. Invade us, besiege us,
and once You are in us, Your cities can never fall!

Sanctify Your dwelling; divinise us.
