

Today is the Eve of Your Birth. Lord!

24 December 1988, Vassula prays:

Today is the Eve of Your Birth.
Lord! I rejoice so very much
Beloved One, Holy of Holies!
Praised be our Lord!
O God, dissolve me in Your Holiness
and show me how to live holy.
Dissolve me Eternal One
in Your Purity purifying me.
Beloved One, sanctify us Your children,
and unite us all into one Fold,
glorifying You and praising You around one Tabernacle.
Allow Your Holy Spirit of Truth to descend upon all of us
to show us The Truth.
Let Your Light be our Guide in this obscurity,
and lead us in The Truth,
bringing us all under one shepherd until Your Return.
Lord, COME!
