

Yahweh I love You. I adore You.

13 November 1991, Vassula prays:

Yahweh I love You. I adore You.
Yahweh, my celestial Love
I know you are with me.
Yahweh my Father and Abba,
tell Your so-Beloved Son
that my heart lives for Him only.
Tell Him that He is the Air I breathe, My Life.
Tell Him that my voice for His Sake
will be carried as far as I can,
to proclaim His Desires and His Fervent Love for us.
Tell Him, Father
that no one and nothing
will ever come between this love
I have for Him.
Tell Him that He is my Smile, my Joy and my Hope.
Tell my Redeemer how I long for Him
and how I pine away with love for Him day and night.
