

## **Yahweh my Father whom I adore and long for**

23 July 1991, Vassula prays:

Yahweh my Father  
whom I adore and long for,  
You who led me out of the countries underneath the earth  
and who lifted my soul  
entering it, consuming it with Your Fire  
and leaving me in total rapture for You;  
Yahweh, Your Majesty and King of Kings,  
You who lead me by this marvellous road,  
keep me free from sin and from falling;  
I am a sinner and am more apt to sin than do good;  
fortify your city ...
