

Yahweh visited me, like a gust of wind

16 January 1992, the Lord gives the prayer:

Yahweh visited me,
like a gust of wind, His Spirit lifted me
and showed me His Countenance,
He revealed to me: Tenderness, Love and Infinite Goodness,
He then showered me with Blessings
and offered me Manna in abundance
to share It with my brothers;
He walked with me in the land of oblivion,
from down among the dead
He took me among those who have forgotten Him,
He raised me, restoring the memory of my soul;
O Lord, Yahweh, how grateful I am!
may Your Sweetness, O Lord, be on us all,
blessed be Yahweh for ever and ever; amen;
