

You are my only God, my only Hope. my only Love

15 November 1991, the Lord gives the prayer:

You are my only God,
my only Hope, my only Love,
You are my God unrivalled,
ever so Tender and Delicate
with the weak and the wretched,
let not the Chalice of Your Justice brim over us;
allow the captives to be set free before Your Day, my Lord,
our faults in Your Eyes have been many
and our rebellion and apathy even greater in number,
but Your Heart is throbbing with Love and Compassion,
give us, O Father, most Gracious,
a powerful Breath of Your Spirit
to revive us all for Your Glory,
amen;
